Dear Parents and Friends

Thank you to all parents who attended the Teacher Acquaintance Evening, BBQ tea and Governing Council AGM in week 3.

The teachers were happy to share their plans and routines for the classrooms. The students are enjoying working in the two literacy and numeracy groups (JP and UP), working at their own levels with lots of individual attention from the two teachers. The theme in the classroom for this term is Polar Regions with the History, Geography, Art and Science all related to this topic.

The school and local community enjoyed the visit of two Adelaide Crow players: Scott Thompson and Alex Keath (a new rookie). The players answered questions about playing football, detailed their earlier careers, showed the students some basic drills to develop ball handling skills before autographing various items including hats, shirts and posters!

The Governing Council is made up of Ian Walker (Chair person), Paul Wedding (Treasurer), Samantha Muller (Secretary) Committee members: Melanie Walker, Samantha Savage, Laura Wedding, Rick Muller, Jemma Bilsborough, Jayne Mainprize-Potter and our Community representative Adrian Hill. Thank you to all those willing to give up their time to be on the committee and support our school.

Last week, the teaching staff and support staff working with students, attended a Partnership professional Development workshop presented by James Andersen. The day was about the promotion of Growth Mindsets in individuals. It challenged our concepts of what is intelligence, how is it measured, what makes a person a successful learner and how important the process is rather than just the end result. One of his main messages was the need to practise and challenge ourselves in order to improve. The staff will be continuing developing their knowledge and putting this into practice within the classroom.

The fundraising committee catered for the Wether Trials on Thursday 25th February at the Town Hall. Thank you for all parents who helped to man the BBQ and serve food.

We will be holding our first assembly on Wednesday 2nd March at 2.40pm. All are welcome to attend.

Reminder: School finishes at 3.10pm from Week 5

Crow’s Visit

Yesterday the crows visited. Their names were Scott and Alex. They talked about football in the classroom and we learnt about kicks and handball activities. I enjoyed the day because I learnt new things.

Crow’s Visit

When the Crows came to Booborowie School, we played games. We got their autographs. We got to know the whole team and facts about the Crows. There were two players, Scott and Alex. I enjoyed doing the dribbling game. The players came from Adelaide.
