Welcome to Booborowie Play Centre for 2016.

This Terms theme is “Under the Sea”, and we have been busy making lots of sea creatures for our ocean on the wall. So far we have straw leg Octopus, colourful fish and sea turtles. We will add to it as the term progresses.

We are planning our AGM and first General Meeting for 2016 at 10am on Friday the 4th March. Please come along, have your say and show your support for a great local resource!

It has been a long wait but we have been assured that our new light table should arrive very shortly. The cost of this resource is being shared between the School and the Play Centre. Hopefully we will all get a lot of use out of it!

On Friday the 19th February I attended a training day with staff from the Primary School on “Growth Mindset for Educators”. It was a really interesting day and I hope I can share some of what I have learnt throughout the year.

We have got Easter craft and activities coming up soon as well as lots of other fun things to do. Please note that there will be no session on Friday 25th March due to the Public Holiday for Good Friday.

Booborowie Play Centre is open from 9am-11.30am on Fridays during School Terms. We welcome all children (0-5) and their families from the Booborowie Township and surrounding districts. Please bring a gold coin donation and a piece of fruit to share.
Booborowie Play Centre
